Dear Colleagues,

It is our privilege and special pleasure to invite you to the IV Congress of Psychiatry of Bosnia and Herzegovina with international participation that will take place on November 16 - 19, 2017 in Banja Luka, Bosnia and Herzegovina. The main theme of the Congress will be "Psychiatry and Mental Health: Dilemmas and Perspectives" emphasizing the current place and role of our profession in mental health, medicine and society in general. Banja Luka is believed to be an excellent setting to discuss professional and scientific dilemmas. A special focus of the Congress will be presentation of latest research results, new insights and best clinical practices that will result in new integrated care pathways for mental health and will change our approach to psychiatric disorders and our attitudes towards mental health care. The Congress will bring together expert clinicians and researchers in the field of mental health, offering an outstanding set of Lectures, Educational Courses, Symposia and other scientific sessions.

We are looking forward welcoming you in Banja Luka!

Professor Marija Burgić-Radmanović, MD, PhD
President of the Psychiatric Association of Bosnia-Herzegovina
